

## **The Base Bullying Policy**

Our Club is committed to providing an environment for children that is safe, welcoming and free from bullying. Bullying of any form is unacceptable in our Club whether the offender is a child or an adult.

Everyone involved in the club, staff, children, Voluntary Management Committee and parent/carers will be made aware of the clubs stance towards bullying. Such behaviour will not be tolerated or excused under any circumstances.

The club defines bullying as the repeated harassment of others through emotional, physical, verbal or psychological abuse, examples of such behaviour are as follows:

**Emotional:** being deliberately unkind, shunning or excluding another person from a group or tormenting them. For example forcing another person to be left out of a game or activity. Passing notes about others or making fun of another person.

**Physical:** pushing, scratching, spitting, kicking, hitting, biting etc taking or damaging belongings, tripping up, punching or using any other sort of violence against another person.

**Verbal:** name-calling, put-downs, ridiculing or using words to attack, threaten or insult. For example, spreading rumours or making fun of another person's appearance.

**Psychological:** behaviour likely to instil a sense of fear or anxiety in another person.

## **Preventing Bullying Behaviour**

The Senior Play Worker and staff will make every effort to create a caring and tolerant environment within the club, where bullying behaviour is not acceptable. Staff will discuss the issues surrounding bullying openly, including why bullying behaviour will not be tolerated and what the consequences of bullying behaviour will be.

## **Dealing with bullying behaviour**

**Despite all efforts to prevent it bullying behaviour is likely to occur on occasions and the club recognises this fact. In the event of such incidents the following principles will govern the clubs response:**

- All incidents of bullying will be addressed thoroughly and sensitively
- Children will be encouraged to immediately report any incident of any bullying that they witness. They will be reassured that what they say will be taken seriously and handled carefully.
- Staff have a duty to inform the Senior Play Worker if they witness an incident of bullying involving children or adults at the club.
- If a child or a member of staff tells someone that they are being bullied they will be given the time to explain what has happened and reassured that they were right to tell.
- The individual who has been the victim of bullying will be helped and supported by the staff team. They will be kept under close supervision and staff will check on their welfare regularly.
- In most cases bullying behaviour can be addressed according to the strategies set out in the behaviour management strategy. The bully will

be encouraged to discuss their behaviour and think through the consequences of their actions where appropriate. They will be encouraged to talk through the incident with the other person concerned.

- Where bullying behaviour persists more serious actions may have to be taken, as laid out in the 'Promoting positive behaviour policy'.
- A member of staff will inform the parent/carers of all the children involved in a bullying incident at the earliest possible opportunity. If appropriate the Senior Play Worker will facilitate a meeting between the relevant parent/carers. At all times staff will handle such incidents with care and sensitivity.
- All incidents of bullying will be reported to the Senior Play Worker and will be recorded in the incident record book. An incident form will be kept on the child's records. See form 1.6. In light of reported incidents the Senior Play Worker and other relevant staff will review the clubs procedures in respect of bullying.
