The Base Out of School Club

Dear Parents,

RESPONSIBLE INTERNET USE

As part of your child's play and the development of ICT skills, East Ayton Primary School provides supervised access to the internet. We believe that the use of the internet is worthwhile and an essential skill for children as they grow up. Please would you read the Rules for Responsible Internet Use, sign and return the consent form attached, so that your child may use the internet at The Base.

Although there have been concerns about children having access to undesirable materials, we are taking positive steps to deal with this risk at The Base. The School Internet provider Paradigm operates a filtering system that restricts access to inappropriate materials. This may not be the case at home and we can provide references to information on safe internet access if you wish.

Whilst every endeavour is made to ensure that suitable restrictions are placed on the ability of children to access inappropriate materials, The Base cannot be held responsible for the nature of content of materials accessed through the internet. The Base will not be liable for any damages arising from your child's use of the internet facilities.

Should you wish to discuss any aspect of internet use please contact The Base manager.

Yours sincerely

C Matthews
The Base Manager
